The screenshot shows the MedNet website homepage. At the top left is the MedNet logo with the tagline "The preferred choice for healthcare solutions". At the top right, it says "QATAR | 24hrs Helpline +97444434122". A navigation menu includes: Home, About Us, Services, Business Partners, Insured Members, General Information, and Rate Your Experience. The main banner features a notebook with a pen and sticky tabs labeled "FAQ", "Forms & Guides", "Feedback", and "Contact Us", with the text "Help us build an exceptional member experience". Below the banner is a call to action: "Reimbursement claims and many more services. Download our Mobile App on Play Store (Android) and App Store (iPhone) Get e". Three service cards are displayed: "Insurance Partners" (MedNet is the preferred choice for Insurance Companies... GET INFO), "Network Providers" (Your access to high quality health Network Providers... GET INFO), and "Insured Members" (You can reach us 24 hrs a day, all days of the year, from all around... GET INFO). A section titled "Challenge for better healthcare" contains a paragraph about MedNet's managed care services. To the right of this section are four buttons: "HOW WAS YOUR EXPERIENCE?", "WANT TO REACH US? Complaints | Other Contacts", "LOCATE A PROVIDER", and "SUBMIT REIMBURSEMENT CLAIMS" (highlighted with a red border). Below these is a "REQUEST A CALLBACK" button with a photo of a woman and the text "How can we help you?". The footer includes social media links for LinkedIn (31,402 followers), copyright information for MedNet UAE FZ L.L.C. (2017), and app store download buttons for the App Store and Google Play. The Munich RE logo is also present in the bottom right corner.
